

CAR OF THE MONTH:

**Dave Michalski's
1947 Ford Coupe**

Board Member Reports:

President:

Dave called the meeting to order at 6:58 pm. There were 46 members present with no guests. Welcome to our newest members John and Angie Metzver from Puyallup, they own a 1923 T-Bucket. Dave thanked all the board members for their input.

Bud Worley spoke to the membership about the "Hot Rod Hall of Fame" and their venue raising money for scholarships and charity organizations through car shows, etc. since 1980's. He announced that Dave Michalski has been selected to receive honors. Bud will have more information about attending the banquet

in Lynwood in September.

Vice President:

Asael has been out sick but is feeling much better. He has been to a few businesses asking for donations. "The Vault" in Black Diamond would like something on our website and/or Facebook. If we receive sponsor information early enough, we will include them on our advertising on flyers and/or mini flags or something on car club trailer. Asael is again ordering more hats. He also ordered and we have received new 25-foot speaker wires (much easier to place than the 50-foot heavier wires we have been using in the past.

Breaking News!

Membership

Membership Dues were due May 1st with a grace period until JUNE 16th. Dues of \$25.00 and can be paid at meetings, Friday Nights or by mail to MVSR P.O. Box 155, Maple Valley, WA 98038.

Secretary Report:

Teresa read minutes of the meeting held April 4, 2023. A motion was made, second and passed to accept the minutes.

Treasurer Report:

Fran has successfully completed filings with IRS for 2021 and 2022. She is still working on the Tax Amendment for 2020. Income from 50/50, hats, nametag, dangles, and membership. A motion was made, second, and passed to accept the financial report.

Activity Report:

Tim has news to share regarding the permit charges. He was having trouble coordinating with the manager of WalMart to meet at Covington City Hall to notarize the Friday Night Permit paperwork. Tim wrote a letter on our club and our purpose of our Friday Night to raise money for our Scholarship Program and to collect non-perishable food for the Maple Valley Food Bank. The city requested that if we give to the "New Life" Church Food Bank in Covington they would waive the \$350.00 permit. The Board agreed to donate to Covington Food Bank and make corrections to our flyers next print. Tim picked up the permit and is ready

for our first Friday Night May 5th. The car club trailer will be at WalMart at 2:30 pm to set up. If it is raining or too hot (like last year) Dave will make the call "yes or no" to Tim who will call the member towing and will put it out on Facebook. Tim also passed around the signup sheet for towing the car club trailer. Looks like he has the honor of towing the first event.

Scholarship Report:

Nancy informed the membership that not only do we have one, two, three but four applications for scholarships this year. Next step is meeting with committee members and then with students. Rick spoke about his visit to Green River Community College. He was able to meet with the instructors and students, see the program firsthand. Not only do they teach nuts and bolts but help with placing in the work force. They are developing an EV program to give input which consists of 8 to 12 people this Thurs. He went back to Metro after talking to them about Green River, they are going to the dinner. Reviewed MVSR and are very positive.

Membership:

Membership Dues are due today with a grace period

until JUNE 16th. Dues of \$25.00 and can be paid at meeting, Friday Night or by mail to MVSR P.O. Box 155, Maple Valley, WA 98038. Don will give a receipt for payment. There are 80 members and only 30 have paid so far. Don will give a courtesy call to remind.

As Dave mentioned that if you joined the club in 2023 you are not required to pay dues. I stand to be corrected!! For the members that joined in November 2022 I informed them that their dues will be waived for 2023 and will stand by that. So those of you that came in November will not have to pay dues for 2023. My apologies (it's that memory thing).

Old Business

Trailer clean-up was a success thanks to the members that showed up to help. We are ready to go!

New Business

Time to think about gathering donations for Friday nights and the Kent Cornucopia Days Car Show. As always, we need volunteers to help with loading and unloading and towing the trailer at WalMart.

Howard is working on

his 1946 Ford Fire Truck and needs help to restore it. He is looking for someone that has a 32 inch brake that will bend up to 14 gauge metal. He is determined to get it going and enter in parades.

Darren let the membership know that Shag and Wanda Clark are selling their 1938 Oldsmobile F38 Slantback 4d with only 30,000 miles like new for \$39.5. Darren will help with advertising on Facebook, Craigs List etc. If interested, please give Darren a call 425-466-0615.

50/50: A total of 198.00 was collected. The winner of \$99.00, went to Dave Michalski. Congratulations Dave!

Lunch out: In the past, the club has chosen to discontinue the lunch out during the active car show season. Should we continue the practice? Club voted no.

Reminders

Lunch Out:

None while car season.

Next Board Meeting:

Next Board Meeting will be May 30th at Dave & Judy's Home 6:00 pm for social and 7:00 pm for meeting.

Next Car Club Meeting:

Next Meeting will be June 6th at Farrelli's Pizza 26442 Maple Valley Black Diamond Rd, Maple Valley 98038. 6:00 pm for social and 7:00 pm for meeting.
