Teresa, let the club know that our car show is next month on Saturday July 15. We will be meeting in Kent at 6:30 am to set up for the show. Judy, Tim, Griffin and Wally at the Gate. Don and Ken helping with parking. Linda and Debbie will head the raffle table. Cindy and Asael are in charge of the refreshments. Nancy, Teresa and Rick at registration. Asael will place all the signs on the street corners. Cheryl will sell t-shirts. Bill will tow the trailer and help Lyle, and Dave S. play music, and make announcements. Dave will ask a few members to help with judging on the fun plaques. Dave, Asael and Tim S. will present trophies. If your name wasn't called and you are present, don't worry there is plenty of stuff to do! We have set up and the end of long day our favorite cleanup!

Attention: We need raffle baskets (with a small write-up on contents) please let Linda know what you plan on bringing 206-399-0522. The club also needs refreshments (doughnuts, cookies, pastries, banana bread, etc.).

We are in need of 5 pickups to transport guitar players (2-3) per vehicle. And 1 convertible to haul (2) senior citizens. So far, we have Bill, Teresa, Rick, and Chase. If you

are interested in helping just let Teresa know and I will get you a parade application.

Treasurer Report:

Fran let the club know we are solvent. Fran let the club know that the board decided to invest and take advantage of the high interest rate offered with a 6-month maturity date. Expenses for the month were for postage and office supplies. Income from 50/50, nametags and Dangles, Membership, license plates, scholarship donation and our Friday Night Car Show. A motion was made, second and passed, to accept the financial report.

Activity Report:

Tim let the club know that since he is the Admin on Facebook, he is being selective as to whom he accepts onto our page. He does a little background check on new "Friend Request" some folks don't even have their own page on Facebook or nothing on their page at all but have a gazillion friends. So, Tim will decline membership by not accepting friends and help keep the trolls off our Facebook site.

Scholarship Report:

Do I have your attention? I have written to each applicant (four students) to let them know that they are being considered for a scholarship. Interviewing is scheduled for June 14 at the Maple Valley Library where we will get to meet the candidates and ask questions based on the information or the lack thereof in their written statements.

Afterwards, we will have a discussion on the interviews then the committee will bring their recommendations to the club at the next meeting.

The Kentlake H.S. Car Show, Friday June 2nd, was a success. Rico spoke on behalf of Tim C. (he was absent tonight). The kids brought their own cars. The students were very interested in our scholarship program. It was a wonderful day. Rick mentioned that there are around 155 students, so many that the High School had to expand their classes. Chris Perovich won a trophy and a gift certificate. Thank you, Tim, for setting this up.

Teresa received a thank you email from the instructor Gregory "Thank you to all the Street Rats that came out today. We had great conversations, great cars and good weather. Students and staff truly appreciated your club being there. I think the kids are going to be more apt to apply for those scholarships after today. I so appreciated the conversations with everyone the day went by way too fast. I am ready to do it again! Thank you, thank you!"

Membership:

****Membership Dues are Due**** June 16th payable at Friday Night or mail to MVSR, P.O. Box 155, Maple Valley, WA 98038. Don mentioned that we have 86 members, 60 members have paid so he only has 26 phone calls to make. Member asked, "What is the limit?" Dave let the club know that "100" is the limit but we can make an addendum if needed or change the by-laws.
