Dave also gave Ryan from the Maple Valley Big Band a check for \$200.00. What a show they put on, we received several compliments.

New members include Joe

& Sheila Scanlan from Kent who have a 1946 Dodge Power Wagon original stock motor (flat head) and a 1946 CJ2A Willys Jeep. They want to share in the appreciation of classic cars and help anyway they can. Bruce Hall from Maple Valley has a vintage 1940 Chevy Business Coupe he built. Bruce enjoys cooking, woodworking and wants to be associated with people who love old cars. Ron Meyers from Kent/Black Diamond has a 1956 Chevy Pickup Rat Rod, 17 years old. Scholarship Report, as you recall, I reported that we sent funds to Renton Tech for Alfredo in July. He is in his second year of the Ford Asset Program. On August 2, funds were sent to Lake Washington Institute of Technology for Cal Wellner and on August 5, funds were sent to Green River College for Argy Castillo. I spoke to Miguel, and he indicated he would be beginning his studies in the winter quarter at Green River College. I have my calendar marked to follow-up with Miguel in early December.

Membership report:

Don informed us that there are 85 members in good standing.

Old Business:

Wow! We have had a great year averaging 60 cars each Friday Night with over 140 cars a few times. What a great turn out.

New Business:

Bud Worley received 30 trophies to be recycled. Those trophies were given to Maple Valley Street Rats. It was decided that we would hand out a "Best of Show" at our Friday Nights going forward. I awarded the Best of Show trophy to a gentleman that drove in with a 1966 Mustang Coupe last Friday. He had never won a trophy before. I will also mention that the club was donated some colorful short sleeve shirts as well as numerous colorful t-shirts. Stop by the trailer and check them out.

Are there any issues the membership would like to bring to the meeting?

50/50: A total of \$207.00 was collected. The winner of \$104.00 went to Mary Ann & Larry Osborne. Congratulations!
