

CAR OF THE MONTH:

Don & Tamara Cobb 1967 Ford Mustang

Board Member Reports:

President:

Dave called the meeting to order at 7:00 pm with 46 members present, one guest and a new member. Tim Duffy with his 69 Roadrunner and Ray Baker who owns a 64 Malibu, 57 Chev and a 63 Corvette. He steels and strips cars, so he wants to know what you have, he, he, he. He is looking to gain wisdom from old guys and sharing wisdom from an old guy. Welcome Ray!

Feedback on our picnic? Everyone had a wonderful time. Lots of delicious food and great conversations. The weather could have been warmer and the rain held off until the afternoon. A

few classic cars were brave enough to venture out.

rooster and send it out. If you are not receiving our emails let me know.

Secretary Report:

Teresa discussed the proposed By-Law changes adding descriptions of the Membership Chair and Scholarship Chair, a volunteer position to section 5, Duties of Officers/Membership (see attachment). Also, changes to section 2, Members and Dues, increase the maximum number of members to 120. These changes will be discussed if needed at next meeting and then voted on.

Teresa received a very nice thank you letter from Vine Maple Place and read it to the membership. "Your compassion and support means everything to them right now, and the impact of your gift delivered them from desperate situations."

The club Christmas Party is usually held in conjunction with "Toys for Tots" drive at the XXX in Issaquah. This year it will be on December 3. Bob Poole has offered his place for our party. Usually, we have the dinner catered but Bob had so much fun cooking at our picnic that he wants to do it again. He will prepare roast and mashed potatoes and have everyone bring a dish. I will have a signup sheet next meeting

for the pot luck. He may need a volunteer or two to help peel potatoes. We will also be doing the gift exchange.

Treasurer Report:

Fran reached out to Dave to let him know that Joe is not doing well and she will not be able to attend the meeting. Dave let the club know that we are solvent. The club income is from 50/50, nametags and danglers, donation, hats and apparel, Friday Night Car Show, and interest on checking account CD. Expenses for the month were for Vine Maple, Maple Valley Band and Tiger Mt. Engraving. A motion was made to accept the financial report, second and passed.

Activity Report:

Tim thanked all the members that have donated their time to help set up, announce at the trailer, apparel sales, and clean up for our Friday Nights. If Tim did not mention you, it was because you were fast and sufficient. A big THANK-YOU to the trailer towers!!

Cheryl and the members gave a round of applause to Tim for all the photo taking and Facebook posting. Thank you!!
